

Local giving. Local results.

Investing in United Way means delivering results locally. Money raised in each district stays in that respective district.

Together, we are possibility

HELPING KIDS BE ALL THEY CAN BE

Focus: access to early childhood learning and development programs, helping kids graduate and transitioning into adulthood.

With your help, our member agencies are able to help kids/families:

- * Reach their full potential
- * Enhance social skills
- * Build confidence
- * Strengthen relationships with peers

BUILDING STRONG COMMUNITIES

Focus: access to social and health related support services, resident and community engagement, integration and independence.

With your help, our member agencies are able to help individuals/families/seniors by:

- * Providing access to our neighbours who require mobility, sight & hearing equipment, services & training
- * Helping those who need a ride to a medical appointment or to get to where they need to go
- * Ensuring that not only counselling is available but one on one interaction
- * Offering training and support to future leaders

MOVING PEOPLE FROM POVERTY TO POSSIBILITY

Focus: moving people out of poverty and meeting basic human needs.

With your help, our member agencies are able to help individuals/families:

- * Find affordable housing
- * Learn/enhance life skills
- * Further and develop employment skills
- * Gain access to personal hygiene products, emergency food and shelter

UNITED WAY INTERNAL PROGRAMS & INITIATIVES

Focus: strengthening the nonprofit sector, motivating young leaders and building community.

With your help, we are able to:

- * Provide training to other nonprofit organizations at little to no cost
- * Teach young individuals about the nonprofit sector and show them that their voice matters
- * Help the community through partnerships
