

**United Way
Centraide**

North East Ontario
Nord-est de l'Ontario

We love where we live but know the social issues impacting our community are complex. Too complex for any one person, organization or group to solve on their own. That's why United Way works in partnership with a diverse and targeted network of service partners to address #UNIGNORABLE issues and invest in the most promising local programs that address poverty, build strong communities and help our kids succeed.
